

Panel 64 – District 8
May 2024 Assembly Report

District 8 Panel Focus (Inspired by Tradition 5): *Streamline sharing of information and practice the principles ourselves.*

- We continue to practice the principles of the program ourselves by having a monthly meeting of the Concept of the month during our district meetings.
- District 8 has voted to move forward with these initiatives:
 - Thought Force: Should D8 update the District website?
 - Task Force: Determine ways to improve group donation collection (e.g., incorporating an electronic donation process).
 - KBDM Workshop: In lieu of our May District Meeting, Diane M from D8 will lead a KBDM workshop for the D8 GRs and Chairs.
- Groups in D8 have volunteered to host a Gratitude Dinner and a Speakers Marathon on TBD dates in 2024.
- Update on the D8 Institutions Chairs' Special Public Outreach Project to increase visibility of our AI-Anon community to individuals and groups who are working, residing in, or are service by, institutions:
 - 5 institutions have received packages of literature. The Chair continues to outreach institutions and engage with the 5 institutions to see if they are interested in receiving more literature.

Thank you and please let us know if you have any questions,
