

THE LEGACY

FLORIDA NORTH AREA 9—Al-Anon/Alateen

PANEL 55 AWSC FEBRUARY 6 & 7, 2015

I am excited to go into the new Al-Anon Panel 55 with so many new goals. I have been asked to complete an on-line Legacy that will be available to everyone that views our website. I have found this to be very challenging. However, I'm "willing." I've also learned about Publisher. After reviewing the information provided by WSO, I have a few requests.

- For The Legacy only, please share your report with 300 words or less. I know from experience excitement causes me to write as much as possible. In the newsletter, paring down of words will make The Legacy easier to read, more exciting, and for busy people a way to get a glimpse into Al-Anon Florida North—exciting Panel 55.
 - Send The Legacy only report to me no later than 2-weeks after our momentous events.....AWSC and ASSEMBLY
- Part of my goals: The Legacy will be a cross between a newsletter and a magazine. I have found with past experience that all of us are reporters with interesting information about our Districts, and service responsibilities. For The Legacy ONLY:
 - Each of you please become cub reporter
 - Where possible please combine reports, i.e. DR and AISL
 - Make each short report sound as though an individual would want to walk in your moccasins
 - Pictures that relate or are pertinent to Area 9 Al-Anon/Alateen please share
- Please continue to report in portrait size 8 ½ x 11.
- Please always attach your report to your email in word. (I'm not using PDF)
- If I can be of help, please contact me. Roger and WSO have been of great help to me.

I have been working using the new reporting system on our web site for hours and days. I've also worked with Publisher for The Legacy. If I were experienced in all of this, I could be in New York City making tons of money! Oops dreaming.....

With much love and many hugs in Al-Anon service,

Soft winds, safe travels,

Cham B
