

## Alateen Conference Committee 2016 -D8Host AWSC Report - August

Hello NFA Family!

This event will forever be in my sub conscience and is in the forefront of my mind at the moment because as it stands has been and is growth in even subtle ways that I'm still realizing. It Created Some Recovery for me with hands on experience as well as getting to watch it in action. I'm feeling humbled, grateful, and enlightened. I've met wonderful people and teens and would do it all again. I say again.
