

Panel 61 - District 8

July, 2023 AWSC Report

As we are halfway through our third year of this panel, we are very excited about District elections coming up in September. At our July district meeting we discussed our district election procedures. We also discussed the upcoming area elections and distributed copies of the area election procedures and trusted servant profile. In the past months officers and chairs shared at district meetings their experience in their positions to the panel so that they may bring back to their groups.

We continue to see more people returning to our District meeting in person. We facilitate a zoom option for those that are not able to attend in person. At the July meeting, most were in person, three were via zoom.

We meet on the third Saturday of every month. A week and a half before, the officers meet to plan the upcoming District meeting agenda. Since we voted not to meet on the months Assembly is conducted, we have chosen not to have a district meeting in October, therefore our elections are in September.

One of our groups is planning a Day of Workshops. We are looking forward to continue to facilitate in-person events that began this year.

The positions of Public Information and Cooperation with Professionals have been filled for the remainder of the Panel and they are already working together to work on a public outreach project.

Our District and Alternate District Representative will chair the Al-Anon participation at: The 2023 66th Annual AA Florida State Convention in Saddlebrook in Wesley Chapel from Thursday, August 10th through Sunday, August 13th.; There will be Al-Anon and Alateen participation in the form of workshops, AA speakers and an Al-Anon speaker. You can register on the website at [66th Florida State Convention – Aug 10-13, 2023 — Saddlebrook Resort and Spa — Tampa, FL](#)

We look forward to seeing everyone at AWSC!

With love in service,

Carmen, District Representative
