Hello everyone,

There have been a few updates from WSO on the Literature Coordinators AFG Connects / Digest -

- **Approved by the 2023 World Service Conference:** As you probably know by now from your Area Delegate's WSC report or from the *Highlights of the 2023 World Service Conference* (at al-anon.org/pdf/Highlights-of-the-2023-World-Service-Conference.pdf), the WSC approved the Literature Committee's recommendation to develop a comprehensive piece on sponsorship and service sponsorship using personal stories from Al-Anon members. The Literature Committee is now creating a writing guideline to help encourage members to

write for this piece, which we will post here as soon as it is ready.

- I am happy to let you know that the new **Just for Tonight Alateen Bookmark (M-82)** will be available for purchase (at \$.25 each) in English, French, or Spanish on **September 1st**.
- According to the Customer Service team, they are currently still working on the **update to the CAL Order Form (S-16)**. It should be available as a pdf as well as in print by late October.
- The **"CAL Quotations for 2024 Area Calendars"** document was posted on March 20, 2023 in the Announcements community of AFG Connects. It is not posted on the web site, since it is not for public use, but for those trusted servants who are involved in the development of such calendars. Therefore, there is no link.
- **Sponsorship/Service Sponsorship Writing Guideline:** The Literature Committee **continues to develop this tool** to help encourage members to write for a new piece on this topic. We will post it here as soon as it is ready.

- **Literature Coordinator Web Conferencing Call:** We are planning to provide this opportunity for you to see and share your experience, strength , and hope with each other this fall, Stay tuned to this community for further announcements.
- Thanks for your question regarding whether a **large print edition of *A Little Time for Myself* (B-34)** might be printed.

T Coffey: My understanding is that no plans have been made at this time for the availability of any additional formats, including large print, but that, as previously stated, it remains in discussion.

I have been truly blessed by my experiences as Literature Coordinator for Panel 61! Thank you to all the wonderful folks I have had the pleasure of working with!

All my best in service
