

May 3-5, 2024 Assembly
Florida North Area 9
Panel 64 – **District 10**

Our District business meetings are held every odd numbered month on the second Saturday. We are still recruiting for our open positions: Treasurer, Group Records Chair, Alateen Chair, Public Outreach Institutions Chair. Our January and March meetings have been a great start with this new Panel getting to know each other.

On the even months D10 holds a workshop. February 10 it was Acceptance, and we had a huge turnout and really enjoyed the day! Then on Saturday April 13 we held one discussing the CAL book – *Opening our Hearts, Transforming our Losses* – which was another big success.

Details about District 10 are on our website: <https://al-anonorlando.org/index.html>. We have 19 active meetings across our District with all options: in person only, Zoom only and hybrid.

Our Public Outreach has been very involved in events already this year and are very excited for a few more upcoming dates. They have also connected with the Area PO coordinator and some of our members sent along suggestions for radio stations.

Our District has been working on the Red Light/Green Light question we were given and looking forward to sharing at Assembly.

Marla R., District Representative
