DR going to Assembly

All of our Officer and Chair positions are filled, except DISL, Alt-DISL and the Outreach positions. We continue to have Elections at every District Meeting, with hopes and prayers to our Higher Power that the open positions will be filled. Even without these positions being filled, an Outreach Bookmark for Newcomers was suggested and is now being worked. The intention of this bookmark is for the groups to provide to their Newcomers and for distribution in Physician offices, etc. and the AA Convention in August, 2024. Along with other Al-Anon information, the bookmark will contain a link to Newcomer information on the WSO Website.

At our April Business Meeting; we prepared for Assembly by going through the following Area Documents: Assembly Orientation for New Group Representatives, Discussion Procedures at Assembly, as well as, had some general discussions around Assembly responsibilities and procedure.

Five of our groups responded to the question from AWSC regarding; should Delegates continue to visit Stepping Stones. Two were not in favor and three were in favor.

We had a Funday on March 9, with 36 in attendance, representing 15 groups. We laughed and played and enjoyed a delicious brunch! There were fun games, and even funnier jokes and stories shared by many clever members. We have another planned in July. District Three thinks FUN is important.
