

## District Representative and AISL Report for Spring Assembly

### District 10

May2015

We are looking forward to joining our fellow members at our first Assembly for panel 55.

We have 27 Al-Anon groups at this time, four are Spanish. We also have 4 Alateen Groups; one has a GR attending District meetings. I've stated before, at our District meetings there are usually half of the GRs in attendance, this is something we need to improve on. We have put together a binder with information for the GRs; it can be overwhelming in the beginning.

One of District 10 duties for this Assembly is the Fun Spot on Friday night. Two members volunteered right away. Boy does that make my job easy. We are also sending a GIP to the Spring Assembly. She will be sharing duties in the Hospitality Room. She is very excited, because she is a new GR and this is her first Assembly.

We do have a couple of chair positions open, but they too will be filled. Every one of our Chairs is doing a wonderful job. Outreach is reaching out on a regular basis. They have a plan and are sticking to it. Our phone volunteer Chair has all his days covered. Our guy on the CMA list is up to the challenge; he had an awesome teacher, and he listened, we're so proud. One of our literature positions is open, I have to fill in, but you know, my partner, is doing a great job in spite of me. Our Traveling Support Team is traveling on a regular basis, doing a wonderful job, visiting groups needing support. We have a new meeting list this panel, updated and a tri-fold so it will fit right into a new comer packet.

"Awesome". Last, but far from least, check out the District 10 Web-Page. Our webmaster is doing a wonderful job. She is a breath of fresh air. Thank you to all the Chairs you are Awesome. You Participate and are on Key to make District 10 flow with Harmony.
