

Dist 11 May Assembly Report

Greetings from the Space Coast

We have now had 4 district meetings - w great attendance

All but 2 chairs filled

Currently brainstorming on the Alateen round-up Preliminary Flyer will be ready for assembly

Planning

Alateen training after our next district meeting in May

District Yardsale splitting the district as evenly as possible - hoping to make it a contest to add to the fun

Picnic and/or - Day of Workshops before the end of the year

Workshops on CAL w lunch skit-discussion on breaking the

Buck

Barrier

Gratitude "thing" late lunch early dinner for January

We plan to have 16 or 17 attending the Assembly - Wahoo

Getting more interest in members becoming AMIAS trained

Reviewing our budget -

decided to place a donation jar near the coffee at district meeting to defray costs

1 member mentioned making an anniversary donation to district -

\$1.00 for each year of membership

Hugs

Sue M, DR D11

Greetings Florida North AFG, District eleven has started on a new journey this year

The chair people meet a half hour before the district meeting to go over any new ideas or problems that they want to bring to the groups and it has been well received.

each chair e-mails me a report a week before the district meeting and I have shortened them and send them out to all the GR's and ask if there are any questions or concerns .

Our Web-site is up and running .

Our LDC has been bring up a new book every meeting and any new issues bring attention to more than our daily readers for the groups to think about and use.

We have a few little items left to sort out but we are a work in progress and we will get to our common goals with the help of our H.P.

I have been given this trusted task in order for all of us to grow and we are by leaps and bounds.

Each meeting has brought more ideas and more desire for service.
