

## District 5 Report for May Assembly

District 5 held its 2<sup>nd</sup> District Meeting on March 28. Out of 33 groups, we had 23 voting GR's and 10 visitors at our meeting. To date, we have visited 12 groups and are encouraged by what we are seeing. We have managed to get 2 new Group Representatives by making these visits; and, they are both attending the May Assembly! We set up an Insurance Task Force to handle the Certificate of Liability issues and will pass that information on at a later date. Our District Picnic is scheduled for May 17, our Gratitude Luncheon is November 7, and our Holiday Party is December 12. For more information, check out our amazing website at [www.nfldistrict5.com/](http://www.nfldistrict5.com/).

Public Outreach has contacted 14 media outlets, the jails and sheriff's office websites, and AA intergroup offices throughout Pasco, Hernando and Citrus Counties with press releases that contained meeting list, web link, program description and Info Line number.

Our Alateen Coordinator is trying to start a meeting at one of the schools in the Lecanto area. District 5 donated \$250.00 for scholarships to send 2 teens to the Alateen Conference in Ft. Lauderdale this June.

All GRs were asked to take the current Service Manual to the last District Meeting. Our exceedingly astute Literature Coordinator saw a perfect opportunity and managed to sell 5 Service Manuals that day. Isn't our Higher Power amazing?

Looking forward to seeing all of you at the Assembly next week!

Love in Service,

Lou Daigle, District Representative

Janet F, AISL
