

AAPP & Alateen Coordinator Report for P55 August AWSC 2015.

The 2015 Alateen Conference was a great success and a lot of fun. District 8 Alateens raised the funds themselves to rent a van and they are already fundraising for next year! There were about 10 teens from Florida north and as usual many more from Florida South. Calling all AMIAS are you ready to grow? We need a District to take our areas turn chairing the 2016 Alateen Conference. We already know a teen approved central location and we have Alateens willing to help. Please step up now and contact us.

The 2015 Alateen Roundup was held on July 25 in Titusville by district 11, and they did a fabulous job. There were 8 teens and they had an awesome time playing kick ball in the rain. The park was beautiful and district 8 teens are still talking about how much fun they had. We need a district to chair the 2016 Alateen roundup it is easy and fun.

The AMIAS Checklist (listed below) and Certification form are posted on the afgarea9 website. We have the check list available so you see the steps involved in getting certified.

AMIAS Checklist

1. Review the WSO resources for Alateen (links are provided)
2. Read the Area 9 Disqualifying Offenses
3. Read, print and fill out most of the AFG Area 9 AMIAS Certification form
4. Attend an Area 9 AMIAS Orientation and have the Trainer sign the Certification form
5. Send the form to the Area Alateen Process Person at aapp@afgarea9.org or AAPP CMA address
6. If it is time, the AAPP will send info for getting a Background Check
7. Receive WSO# and Certification status from AAPP
8. Work with other AMIAS to give young members the opportunity to share in our program of recovery

Thank you for your service!

Please note we are getting incomplete forms with no signatures or training dates, and we are receiving multiple e-mails for just one form this is making things very time consuming. Prior to sending in the certification forms please make sure they are complete and submit them at one time. Also it states on the form to not get a background check until Charon/AAPP lets you know to do so. We have had at least 4 people get a second background check which has not been determined necessary yet. (Current thought force issue).

We had 2 successful webinar trainings at the end of June in order to get everyone approved by the WSO deadline. This has been a learning process and we will start earlier in 2016 with yearly re-certifications.

Every DR has the ability to get their current group, Alateen group and AMIAS records from WSO online records. If you do not know your ID/Password please contact WSO.

Together we can make it great for Alateen!

Love

Di and Charon

Di – alateen@afgarea9.org
