

DISTRICT 12 - THERESA R - DR

Hello!! Our District has change and through it growth. In May our DR, Cindy B stepped down and as Alt DR I stepped up. My first thoughts were...."**WHAT???**" I **IMMEDIATELY** called my sponsor who reminded me "I am not alone". And I am not, I have all of you. Then our AISL stepped down leaving our District with 2 openings. Our members came through. At our July District Meeting we held elections and Amy K stepped up as Alt. DR and Susan H stepped up as AISL. I am NOT alone.

Our District has an amazing Public Outreach - they have been so active. We have Al-Anon represented at the Sarasota Bradenton International Airport, we were on a local radio talk show. The link to that is on our website: <http://www.al-anon12.org/service.html> among other exciting outreaches.

We were bequested money and had a Thought Force with all of our GR's and now have a Thought Forces working to make recommendations to our District.

I am excited, energised and ESPECIALLY blessed to be DR for District 12 and look forward to meeting with and working with Panel 55.
