

## District 11 Feb AWSC Report

### Greeting and Happy 2016

- We have had some changes to our panel since the last Assembly - happy the vacated positions have been filled. Unfortunately we still have 2 open chairs Alateen and Archives.
- We had a Holiday party in December, a Gratitude Thing Jan 23 that was well attended w a great ice breaker, AA and Alanon speaker and of course food and fellowship. We had our table cloth displayed and every one is anxious for the banner(s)
- We are involved w the annual Space Coast AA Round-up - the AIAnon speaker is Terry K our former Delegate.
- We are tracking our calls to our phone line and will be continuing to re-evaluate the need for this service as most require no callbacks.
- Our website is running smoothly and our WebDiva remains enthused and active in keeping it current.
- We are planning a day of Workshops 6/25 - more to be revealed - committees forming now
- We have a Snowbird willing to be an Alateen Advisor - will be moving here permanently in a few yrs
- A few groups are struggling w attendance.
- Our Public Outreach co-chair has a new project in the works for this year.

Can't think of anything else at present - Looking forward to seeing you all.

Hugs
