For videos on setting up a banner stand or adjusting the spring tension, go to:

<http://popupbanner.com/budget-banner-stands/>

To clean dust off banners, use a soft, damp rag. Windex is also safe on the vinyl banners.

TABLE COVERS CLEANING TIPS

- Machine wash using mild detergents at 175°F maximum.
- Machine wash on cold, gentle cycle.
- Items may need to be ironed upon receipt.
- Do not iron directly over text. Turn fabric over and iron from behind.
- Do not use chlorine bleach.
- Hang dry only; use of dryer, even on lowest heat setting, will cause heat transfer material to peel.
- Do not dry clean.
