

District 7 DR/AISL Report to Spring Assembly May 5-6, 2017

All district level service positions are filled as we welcomed Melanie as our Alt District Representative. The district treasury continues to be solvent and we are beginning discussions to start a Public Outreach Project. We have a suggestion to create a 2018 Calendar using CAL quotations approved by WSO. A group of very creative and talented members in District 7 made wonderful Love Gifts for Wendy to share with the other Delegates at World Service Conference. Love and fun with friends is the gift !! District 7 along with Area 9 and WSO have worked closely to create the **T.E.A.M. Event**. Service continues to enhance the recovery of all involved.

~**Let's Spring into more Recovery**~ District 7 Day of Workshops will be held June 3, 2017 8am - 3 pm.

All are welcome . See Al-Anon-Pinellas.org for flyer and information.

A Writing Workshop will be presented by Jill, Area 9 Alternate Delegate on June 10, 10:30-12:00 following our District meeting.

Task Forces being charged with updating the District Election Procedures and the District Service Position Guidelines are working toward completion.

The Information Line Task Force presented a recommendation to the District. After KBDM and discussion ,a Group Representative made a motion to continue with current phone service and the motion passed.
