

**AFG Area 9 Panel 55  
Group Records/Registration Coordinator Report  
Area Assembly – SPRING 2017**

**North Florida AFG Area 9 General Group Information:**

ACTIVE Groups	<b>365</b>
NO MAIL/REPORTED NOT MTG	<b>9</b>
INACTIVE/MARKED FOR DELETION	<b><u>146</u></b>
<b><i>Total Number Groups in our Area</i></b>	<b><i>520</i></b>

The District Group Records Chair people and I have been working very hard this year on reducing the number of mail, email, and reported not meeting problems for all of our Groups in the North Florida Area. And, we've accomplished quite a bit.

Of the **365 ACTIVE** Groups in our Area, only **9** have been temporarily removed from World Service Office web and telephone referral lines, due to **NO MAIL** status. This is way down from our last Assembly, when we had 17 Groups temporarily removed due both to NO MAIL and REPORTED NOT MEETING status. NO MAIL issues have dropped from 12 and 0 Groups have been REPORTED NOT MEETING.

Of the **365 ACTIVE** Groups that are on the WSO web and telephone referral lines, **12 have "BOUNCED EMAIL"**, which means these groups are not getting their WSO monthly E-newsletter. This is way down from our last Assembly, when we had 21 Groups with bounced email, but I'd love to see this number go down to zero, since so much great information comes with the Group E-news. If you think your Group is not getting its Mail or Email, or if numbers are down and you're not sure why, don't hesitate to come see me this weekend...we can look up your Group in the WSO data base and see what may be going on.
