Here are a couple of reminders that you need to know to be prepared for our AWSC meeting.

1. Reports for AWSC due date is Monday January 25, 2021 in PDF format. You can create them in Word, Pages or Google Document and save as a PDF file.
2. Every District Representative needs to bring one question for Red Light /Green Light. I suggest that you might bring current questions that are been experienced in your meetings. Our Alternate Delegate will chose 2 questions that will be assigned to District 2 and District 3, who will take their question back to their District and research using only AI-Anon literature. They will present their research at Assembly. More information will come from our Alternate Delegate.
3. For AWSC District 1 has the spiritual meeting. District 2 and 3 have the Red/Green light Assignment.
4. Please register for AWSC by February 1, 2021 using this link:
