

Archivist Report for Panel 61 AWSC Meeting August 6-7, 2021

Due to COVID restrictions, health concerns and traveling commitments, the Archives committee had to postpone meeting in July. I still plan on meeting with Diane M. on the scanner for more detailed instructions on uploading Area 9 documents. My goal is still to complete the remaining documents for Area 9 archives and be completely digitalized.

In humble service,

Tina M.
