

# WSC District 6 Report

## January 28-30, 2022

District 6 has resumed their face-to-face district meetings with zoom officer meetings the week before. Our January 2022 meeting has been postponed until February due to the Omicron variant of Covid.

We currently have three unfilled chair positions: Public Outreach, Spanish Liaison, and Group Service Liaison (south). We currently have ample funds to campaign a public outreach project and are pursuing that goal with an eye to having a group take on the project as opposed to an individual. Plans are in the works to have the Area P.O. chair and our neighboring district 10 P.O. chair speak at our next district meeting.

On October 23 we had a Gratitude Luncheon, our first since the pandemic. We had a great turnout with potluck lunch, AA and Al-Anon speakers and a writing workshop for the forum. We also are planning a workshop in the spring.

One of our district groups, Walking in Hope, which meets on Thursday mornings, hosted a zoom meeting for Thanksgiving at the Grace Tabernacle Church in Wildwood.

Our webmaster has made it possible for our website to have a password protected ability to access our district meeting and treasurer's reports. We are currently working on having the ability to accept electronic donations through our website.

Due to generous donations D6 was able to double our usual contributions to Area 9 and WSO.
