

Archivist Report for Panel 61 Assembly June 9-11, 2023

It is true what they say in AI-Anon, you do not have to do anything alone! I would like to thank Mark for purchasing the equipment needed to do this service and Bob for all his teachings and support! It is also true what they say that you figure out how to do your service/job by the end of the panel!! I know I finally did! Doing this service has been a true sense of AI-Anon, going through the various books and buckets I can see AI-Anon. What I mean by this is some of the books scanned were "perfect." In order, dated and labeled and easy to scan and file. While others were disorganized, not dated, or labeled and some preparation had to occur to scan them and research to figure out where to file them. I know my AI-Anon journey/process has been that way too.

Since January's AWSC I was able to scan the below 25 books to the Archive's Google Drive,

1. AISL Reports for Panels 7-26
2. 2018 Convention Treasurer's Report
3. D9 Group History Forms for Panel 34 and District Meetings for Panel 43
4. Panel 52 Turn-Over Meeting from November 15, 2014
5. Legacy Records for Panel 46, 49 and 52
6. Panel 52 Thought Forces and Taskforces
7. 2003 Convention Reports and Minutes
8. 1996 Convention Treasurer's Report
9. 2008 Convention Book
10. 2005 Convention Treasurer's Information
11. 1993 Miscellaneous Information
12. 2010 Public Outreach AARP Expo
13. 1995 WSC
14. 1955 July AA Convention
15. 1996 WSC
16. D4 AISL Information from 1985, '86, '87, '88, '89, '94, '96, '97
17. District Reports from 1979, '81, '82, '83, '84, '85, '86, '87
18. 2011 TEAM Event
19. 2018 Convention Book
20. 2017 Convention Book
21. 2011 Convention Book
22. 1984 WSC
23. 1983 WSC
24. Panel 34 Alateen Coordinator
25. Panel 22 WSC

At the end of March, we ran out of space to upload on the Archive's Google Drive. I worked with Bob during April and May to try to resolve the situation and could not seem to find a fiscally sound solution. I then did some footwork and spoke with my personal computer guy, and he suggested purchasing an External Drive. Which I did and it has 2 terabytes (TBs) of storage on it (which I am told that 10 TBs could store the entire Library of Congress), so we have plenty of digital storage on this External Drive and am able to scan again!

Reviewing what we were keeping at the storage unit, I made the decision to clean out the storage unit and move the remaining 3 containers of binders and 4 containers of cassettes/CDs to my home for scanning. There are approximately 80 binders to still scan. I have also taken photos of all the "trinkets" that we were storing and will be donating what I can to the upcoming Convention Boutique.

The below photos have been stored on the Archive's External Drive,

1. 7th Florida AFG plate
2. 10th NFA AFG Convention Cookbook
3. 2017 Convention Magnet
4. 1992 Waves of Serenity Convention Button
5. 2018 What's Your Emoji Convention T-shirt

37. 2012 Fall Assembly Trial Poster
38. 2011 TEAM Event Poster

There have been hills and valleys on this journey, but I am hoping (HP willing) to have all the scanning completed to the Archive's External Drive by the October Assembly Turn-Over meeting. I chose this position to grow, and it has truly met my expectations!

In humble service,
Tina M.
