

District 9 DR and DISL report for Spring Assembly June 2023

District 9 has 13 active groups; of those active, 2 groups do not have a GR, and 4 groups are hybrid. District 9 is holding face to face district meetings, with wonderful participation. Our district openings: Archive Chair, and Alateen Chair and Public Outreach chair for both north and south.

Our district Spring Workshop, with the theme on Service in Al-Anon, went on without a hitch. The name of the Workshop was: Coming alive with the Service Manual. Our Spring Workshop was not only a fundraiser for District 9, but it was also a preface to help new potential panel members understand and participate in our next Panel 63. The Workshop was held on April 15th.

Our last District meeting 5/27/23 was very productive. Each GR discussed their groups and group inventories as well as discussing future district officer job duties.

Again, as our District is moving forward and growing, our members are still stepping up for service. "They got busy"! In fact, we will be doing the "Registration" service position at the 2023 Convention. Jean W. is the Chair and another member has stepped in to be the co-Chair Susan S. to replace Margaret P., who stepped down due to health issues for registration. And... Nita and Ray are together going to be the Raffle chair and co-chair of the raffle for the 2023 Convention. Diane B. is also the Web Tech for the 2023 Convention.

As always, our district is "keeping it simple" and allowing our higher power to guide group autonomy and district participation.
