

AFG Area 9 – Florida North

Work Group Assignment: Establish Past Delegate Work Group

Work Group Topic

- Discuss and agree on the format, eligibility, roles, responsibilities, and other key aspects of the Florida North Past Delegate Work Group.
- Determine if Guideline, Process, and/or Procedures document(s) are required to establish the Work Group and conduct its assignments.

Work Group Members

- Cindy J., Past Delegate, Panel 58
- Evelyn T., Past Delegate, Panel 61
- Linda F., Past Delegate, Panel 40
- Lisa P., Past Delegate Panel 46
- Terry F., Past Delegate Panel 49, Past WSO Executive Committee Member, Past Trustee At Large

Rationale

Based on a Thought Force recommendation, the Panel 61 Area Chairperson created a Past Delegate Work Group to support various Area tasks, including historical research. Each Past Delegate has a set of unique experiences that could help the Florida North Area Assemblies/AWSC. Each Past Delegate also has unique responsibilities outside of serving Area 9. The Members should agree on how the Work Group will conduct itself while respecting the participants' availability and other commitments. The Thought Force's final report is available [here](#).

Work Group Instructions

- Please meet via conference calls, Zoom, or use whatever technology works for the group.
- Complete the assignment as best you can. Submit this form as your Report. You can do this by sending it to the Technology Coordinator, who will post it on the website.
- Create a proposal that can be discussed at our next AWSC Meeting. Submit that to the Technology Coordinator as your Work Group Proposal.
- If your Work Group needs more time, note it on the form and submit it as your report. No proposal is required if your Work Group is in process, but an update at AWSC is necessary.
