

AFG Area 9 – Florida North

Task Force Assignment: Review and Update Area Election Procedures

Task Force Charge

Review the current Area Election Procedures and discuss the need for any changes or updates. If changes or updates are needed, draft and present to the AWSC Panel and Assembly for approval.

Any proposed changes should be ready to present to the AWSC panel at the Summer 2025 AWSC meeting. Once reviewed and approved, it will go to the Fall 2025 Assembly for approval.

Task Force Members

- Lois W., Area Secretary, Task Force Chair
- Nancy G., Area Group Records Coordinator
- Fran C., DISL, D2
- Liz M., DISL, D6
- Lisa P., Past Delegate, P46

Rationale

The Area's current Group Conscience is to review and update the Area Election Procedures during each Panel. Area 9 has used electronic voting for Officer Elections during the past two Panels – once in the virtual October 2020 Assembly and once in the in-person October 2023 Assembly –and it appears to have most of the Area's support. This Task Force will honor the Area Group Conscience while considering recent concerns:

- Do these election procedures need a special process to fill an Officer position that becomes vacant between Assemblies? If so, draft the language for the section if necessary.
- Some Members expressed concerns about non-qualified Members voting in the election when it was held electronically. Is it necessary to address those concerns? Will that impact the effectiveness of using the online voting platform?

- Create a proposal that can be discussed at a future AWSC Meeting. Submit that to the Technology Coordinator as your Task Force Proposal. If your Task Force proposes changes to an existing Area Document, send an editable copy to the Area Secretary in Google Docs.
