

AFG Area 9 – Florida North Task Force Assignment: Review and Update South East Regional Trustee Candidate Selection Procedures

Task Force Charge

The South East Regional Trustee (SERT) Candidate Selection Procedures have not been updated since the February 2015 AWSC. This Task Force will review the current procedures and consider if any updates are needed.

Task Force Members

- Gretchen S., Delegate, Panel 64
- Erik R., DR, D1
- Heather D, DR, D7
- Eileen C., DR, D11
- Terry F., Past Delegate Panel 49, Past Trustee-At-Large, Past Executive Committee Member

Rationale

Candidates for South East Regional Trustee are infrequent in Area 9, so, the selection procedures are infrequently used. The Task Force should consider the following:

- The Area's current Procedures are for the Expedited Candidate Process, but the Area 9 Document Library does not include any other version. How was the other process different from the Expedited Process? Is it still relevant? Can any differences be incorporated into one Procedures document?
- Ideally, a SERT candidate should be presented at the first Assembly of a new Area 9 Panel to comply with the current Area Procedures and meet the World Service Conference's deadlines. Should the procedures grant the AWSC Panel the authority to vote on a candidate without bringing the candidate before the Assembly in some or all cases?
- The Area Election Procedures require all Panel Members to prepare a Trusted Servant Profile to stand for any position. Officer candidates read their profiles prior to voting, and Coordinator candidates read their profiles after they are selected. Should SERT Candidates go through the Trusted Servant Profile process?
- The current Procedures call for paper copies and manual voting. Are those still necessary, or can they be updated to match how the Area distributes information and votes electronically today?
- Can or should the Area do more to inform Districts and Groups about this position to encourage more Members to consider standing for it, even if it is after the first year of a new Panel?
