

Warm Greetings Everyone!

This has been such a great Panel so far. I've enjoyed seeing and getting to know all of you.

In my experience, there is such positive energy at the Area 9 meetings, members working and growing together. It reminds me of Lois Wilson's words "Focus on what you can do, then do it with all your heart". That is my plan for Panel 64.

Alternate Delegate's Alcove: Please visit the Alternate Delegate's Alcove. I aim to update it every month. The page can be found on the Area 9 website. To open the webpage click [HERE](#) .

Group Representative (GR) Orientation: A virtual GR Orientation took place on September 22nd. I appreciate all who attended. It lasted about 40 minutes which included Q&A time. All the questions were thoughtful and relevant. Thank you so much to everyone who was able to attend.

The Forum: 2024 marks The Forum's 70th year in publication.

The content in the Forum is rich with sharings from all over the world. If you don't already subscribe, I encourage you to subscribe. It's only \$11 for a whole year, 12 issues.

The forum is a great tool for meeting topics and District meeting door prizes. .

A list of Area 9 members who have been published in The Forum is on the Alternate Delegates page. When you have time - check it out!

If you have been published in the Forum and your name is NOT on the list, please let me know if you would like to be included on the list.

Red Light Green Light (RL/GL): On Sunday, October 13th (the last day of the Assembly) District 1 and 2 will be presenting their research on the questions they were assigned at the July Area World Service Committee meeting (AWSC). Each district will have 5 minutes to present and each question will have 10 minutes for a discussion period after each report.

During the Assembly the RL/GL Task Force will present our recommendation to update the RL/GL Guidelines. A big Thank you to the members of the Task Force Committee: Deborah J., Nita H., Robin P., and Cindy J. The World Service Committee (WSC) and South East Region Delegate Get Together (SERDGT) have changed what they used to call RL/GL to Chosen Agenda Items and Timely topics about 20 years ago and Area 9 wanted to update the guidelines to be more purposeful and timely to the current questions and concerns that affect AI-Anon as a whole.

South East Regional Delegates Get Together (SERDGT): Alternate Delegates are invited to attend the SERDGT, on their own dime. I registered and plan on attending the next one, March 21-23, 2025 in Atlanta, Georgia.

Timekeeper: One of my duties as Alternate Delegate is being the timekeeper for the sessions throughout the Assembly and AWSC. If you are at the microphone and hear the sound of the bell, please finish your sentence and allow the meeting to be passed along to the next member or session. Please remember to state your name and district before speaking. Only the Area Chairperson, Mark has the authority to extend a session if he determines the topic needs more time. Thank you.
