Alateen Coordinator Report for Assembly

We have had a FRESH Event every month since January. AMIAS must do the training every year to requalify by June. We have sent an email to all AMIAS every month since February reminding them that they had until May to do the training to qualify for certification for 2025. We also cover this in the training. Despite our efforts there are still AMIAS that did not know that they had to be trained.

Most of the AMIAS are trained and will be certified for 2025 in June.

I had a call from Heather from AA asking for a Volunteer for the Alateen portion of the 2026 AA convention in Orlando. We need a chairperson for this event. It is the AA convention with Alanon and Alateen participation. I told them that I would ask for Volunteers at Assembly.

I am including the AA flyer for this event with my report.

I answered other questions by email and text.
