April 2022 Chairperson of the Board Letter

Dear fellow Al-Anon and Alateen members,

The purpose of this Chairperson of the Board letter is to share with you some of the highlights from our 2022 World Service Conference (WSC), along with updates from the Board of Trustees' Quarterly Meeting and the Annual Meeting of the Board. You will also find updates from our outgoing and incoming Policy Chairperson, our outgoing and incoming Conference Leadership Team (CLT), and a finance update from our Treasurer.

Finance Update:

Thank you to all of our members who have made and who continue to make contributions to the World Service Office (WSO). In keeping with our Seventh Tradition, we are a self-supporting organization. Our two sources of income are contributions from Al-Anon members and sales of our Conference Approved Literature. Please continue to support the WSO with your contributions and with literature purchases through the Online Store, from your Literature Distribution Center, or from your group. (See the Finance Update attached to this letter for more financial information.)

World Service Conference:

After two years of holding the World Service Conference virtually, the 62nd WSC was held April 26–30, 2022, at the Westchester Marriott in Tarrytown, NY. The theme of the Conference, “Enhancing Our Recovery through Abundance, Unity, and Understanding,” was our spiritual compass guiding us throughout the week. It was amazing to finally be able to meet the Delegates in person! Conference members were able to do all the things we can't do when we meet virtually, such as share hugs, have one on one conversations, have meals together, and make heart-level connections with each other.

I am excited and honored to share with you a truly pioneering decision that was made at this year's WSC. In true Al-Anon style, we “made our circle bigger.” One of the first orders of business was for the Conference to pass the motion to make the Global Electronic Area (GEA) part of the WSC Conference Structure and allow their Delegate, Ozzie A., to become a voting member, joining the Panel 62 Delegates. After the vote was taken, Ozzie was welcomed with a standing ovation and an abundance of Al-Anon love. I felt honored to be part of the historic day. Based on the geographic location of the GEA Delegate, the GEA will participate as part of the Southeast Region during this panel for the purpose of electing a Regional Trustee and attending the Regional Delegates Meeting.

Another highlight of the 2022 WSC was the trip to Stepping Stones, which is the historic home of Bill and Lois Wilson, Cofounders of Alcoholics Anonymous and Al-Anon Family Groups respectively. If you are not familiar with Al-Anon's history, it was on the second floor of the house at Stepping Stones where Lois and Anne wrote to the first 87 groups and started what was then known as the Clearing House. It is inspiring to think how far Al-Anon Family Groups has come from that small office on the second floor.

Some other highlights from this year's Conference Agenda are:

- Outgoing Panel 60 Delegate three-minute talks
- Presentation on “Electronic Meetings Becoming Al-Anon Family Groups”
- Open Policy Committee meeting

- Approval of changes to the “Public Outreach—Social Networking” section of the “Digest of Al-Anon and Alateen Policies” section of the *2022-2025 Al-Anon/Alateen Service Manual (P-24/27) v1*
- Delegate-led Thought and Task Force presentations, which included the Diversity Today Thought Force, the Encourage Service Participation Task Force, and the Maintaining a Sustainable Future Using Abundant Thinking Thought Force

(See the CLT Update and the Policy Update attached to this letter for more information.)
