Hola, Florida North Area 9…
Please print this document so you can take it to your Districts and to your groups for discussion.

It's "Chosen Agenda Items" Time!

This is the time of year when every member, of every group, has the opportunity to select a topic that you'd love to see all the Delegates and the World Service Conference in April discuss on behalf of the overall good of the fellowship.

In planning for the 2023 World Service Conference, the Conference Leadership Team (CLT) agreed to:

- Discuss two Chosen Agenda Items (CAIs) for 45 minutes each in the General Session.

Submitting CAI topics for discussion has been an important tradition of the Conference for many years. The purpose of the CAIs is to give *all* Conference members (Delegates, members of the Board of Trustees and Executive Committee, and voting members of the WSO administrative Staff) an opportunity to select topics and issues of concern that affect Al-Anon groups and members worldwide.

TOPIC CONSIDERATIONS:

As you think about topics, please consider whether the topic merits an in-depth discussion that could benefit Al-Anon groups and members worldwide.

Here's the format for your item to follow:
1) Please name your Chosen Agenda Item (CAI) topic in 25 words or less.
2) Please provide the rationale (why this CAI is important) in 75 words or less.

Please take this invitation to your groups and Districts and ask members to send me whatever question, concern, or topic they want to be considered.
Please send it to my email: Delegate-61@AFGArea9.org
The deadline to submit your topic is March 1, 2023.

Please know, too, that even if you told me of your concern (meaning it wasn't given to me in writing) I do not remember it. So please, take a moment to send me your CAI in writing.

Gretchen S., the Area Alternate Delegate, and Evelyn T., the Area Delegate, will have the chance during March to select which two CAIs will be sent on to the Conference Leadership Team (CLT) (with all the other Delegates' Areas' choices) to see if we can have the Conference discuss your topic. The due date to submit our Area two selected CAI is March 24, 2023.

This is a prime example of Concept One in action!!

I am hoping for some excellent feedback to send to the WSC for discussion.
