

Hi, Area 9 Members,

Let's start a conversation!

Please submit any questions that come to mind. I will work to get it uploaded to the list of "Questions Recently Received" and do my best to give an answer.

Please remember to list your email address, so that I can reply. We receive too many that come in without them.

I hope this helps with our communication.

Your trusted servant,

Elsa C - Chairperson Panel 61
