

DISTRICT 1 (TALLAHASSEE) SPRING ASSEMBLY REPORT. 05-03-24

5 Active Al-Anon Groups
3 groups with GR's
0 Alateen Groups
1 GR going to Assembly
DR going to Assembly

Open positions include DISL, Alt DR, AA Liaison, Group Records, and Spanish Liaison.

Our Alateen District Chair is enthusiastic and actively seeking members who will volunteer to become AMIASs. She has a very suitable meeting location and permission from the organization who owns the space to start a meeting. There have been 3 teens and their families ready to go to a revived Alateen meeting that had to close with the onset of Covid-19.

There are 2 active Newcomer meetings, both with more than a dozen newcomers meeting weekly. The active Groups, though fewer in number since Covid, all have 12 to 20 members each who show up weekly, depending on school holidays, public holidays, etc.

Our Public Outreach Coordinator presented at a city-wide health fair at the end of January. He has made several connections with other organizations in the Tallahassee community and looks forward to more opportunities to make presentations.

District 1 is currently researching ways to create a Sponsor Training Workshop that can be repeated quarterly or semi-annually. We are also researching "Traveling Meetings" to counties in the district to help create new Al-Anon/Alateen meetings outside Tallahassee/Leon County.
