

May 2024 Assembly
Panel 64
North Florida Area
District 4

Meetings - 33. 25 in person and 8 zoom. One Alateen meeting.

GR Meetings - We did a GR shout-out at the March meeting. Two group reps shared challenges they are facing and there was a lot of discussion of solutions.

Panel 64 Positions - All positions are filled except Public Outreach and AA Liaison.

Alateen - Our one meeting has built up to a regular attendance of four to six Alateens. This is due to the dedication of our AMIAS who kept showing up even when no one came. We had an Alateen Family Information Night 3/14/24 with five Alateens, five AMIAS, three parents/grandparents and two Al-Anon members attending. To prepare, each of the seven AMIAS and Alateen members handed out fifty (50) packets of CAL pamphlets to parents, children, grandparents, school counselors, police officers and others in the community.

Public Outreach - District wide Public Outreach project - January - March in honor of Lois W's birthday. Each meeting received eight AFA's with bookmarks (M-76) and Where and When to hand out to doctors and counselors offices.

DISL: I held an orientation for new GR's by Zoom on February 21, 2024 to help them get introduced to their service role and prepared for attending Assembly. There were five members in attendance.
