

October 2024 Assembly
Panel 64
North Florida Area
District 4

Meetings - 33. 25 in person and 8 zoom. One Alateen meeting.

GR Meetings - Our DISL held a zoom GR orientation on September 25 to prepare for Assembly. At our September District Meeting, we voted to put together a workshop day using the Beginner's Meeting Guidelines and the information provided at the workshop at the Spring Assembly.

Panel 64 Positions - All positions are filled except Public Outreach and AA Liaison. We have talked about volunteering for a project rather than a chair position. Two people have volunteered to make sure every AA meeting in their town has AI-Anon schedules. We will keep asking groups to step up for this project.

Alateen - Our one meeting has built up to a regular attendance of six to nine Alateens. Last summer we had two AMIAS. We now have nine!!! They are almost ready to open another meeting in St. Augustine and are starting to build toward a third meeting in the south end of our district.

Public Outreach - Even without a chair, people are volunteering to man tables at recovery events.
