- ★ We completed our 1st round of elections for Panel 61, the next round will be Nov 14th.
- ★ Our chairfolks on the hotline, the website, group records, and the Meeting List do a great job of keeping our information concise and updated.
- ★ There were many requests from GR's and members for an option for electronic voluntary donations, so we set up Venmo and Zelle for Group treasurers and members to donate to District 10.

- ★ *Panel 58 is GREAT!!! It's been our pleasure sharing the journey of recovery with all of you!*

Meeting Changes

- ★ We are doing our best continuing to carry the message.
Out of 24 active groups, we have 16 English and 2 Spanish speaking groups meeting virtually. D10 also has Four (4) hybrid groups that are meeting in person & virtually, 1 group that has a virtual and in-person version (separate meetings), one (1) group that is meeting in person and ten (10) virtual meetings.

Public Outreach

- ★ District 10 has a very active Public Outreach (PO) team. D10 has been using Twitter to carry the message and posting D10 meeting information, followers are welcome.

-
- ★ The PO team remains in contact with the Orlando Sentinel, UCF Student Health center and Aspire Health to provide them with options for virtual Al-Anon meetings and general Al-Anon information to distribute.

District Phone and Email

- ★ Surprisingly our phone line has received fewer calls than usual during the pandemic.
- ★ The District email has responded to a few inquiries.
- ★ The district 10 info email receives many interesting contacts.

Alateen

- ★ Our AMIAS team is enthusiastic about service. Before the pandemic, an Alateen group was given permission to have a group in one of the Lake County high schools as soon as schools reopen, this has been postponed indefinitely.
- ★ There are currently no D10 Alateen meetings in person or virtually. When we receive an inquiry, the Area 9 and WSO Alateen info is provided.

Spanish Liaison

- ★ D10 has 2 active and one inactive Spanish speaking groups.
- ★ Both meetings are currently taking place virtually.
- ★ There are live phone meetings conducted in Spanish every Monday through Saturday at 9pm eastern time. If you are interested in attending, call 1-774-220-4000 Code: 148335
