January 2026 AWSC Report
Panel 64 - District 11

19 Active Groups
3 Hybrid
2 Zoom
No Active Alateen Meetings

District 11 is consistently improving numbers at our District meeting and various service positions.

Although we have no in-person Alateen meetings, we have just certified two new AMIAS in our District. We will be voting in a new Alateen Chair, which position has been open since the beginning of the Panel, at our next District meeting.

At Recovery Fest in September, Al-Anon had a literature table set up as part of our Public Outreach. We had many visitors pick up pamphlets and ask questions of the Al-Anon volunteers who participated.

In November, we held a Gratitude Luncheon, hosted by Wednesday night Steps Of Serenity AFG. There were 58 participants, three workshops, three speakers and lots of fun and fellowship.

On December 6, 2025 District 11 hosted a holiday party which included a workshop by Robin P. on Recovery & Finances. This was a well-attended event. There was food, fellowship and a Secret Santa gift exchange game.

We are looking forward to the upcoming AA Round-Up with Al-Anon participation. We will have Al-Anon speakers, workshop and a table set up for literature sales.

The launch of the 2026 Al-Anon Convention that is being hosted by District 11 was well-received. Our District is getting read to move ahead full steam after our holiday break.

Respectfully submitted,

Eileen C. - District 11 Representative
