

# District 4 Report to Panel 58

## Fall Assembly

### October 2 - 4, 2020

Our monthly **District Meetings**, as well as quite a few of our **regular AFG meetings**, are taking place with ZOOM. Our Telephone Chair is the “keeper” of the zoom numbers, to keep privacy and safety at the forefront. Our website lists which meetings are using zoom and/or are meeting in -person --- of course, practicing safe social distancing practices and wearing masks

The opportunity to step up for service to **Panel 61** will be at our October District meeting, October 17th. We will be using a Google Form that will maintain anonymity and allow us to adhere as closely as possible to our District’s Election Procedures.

Plans for a **District Virtual Gratitude Dinner** in November are in the works! Thanks to Renee and her team ---- details will be available soon!
