

January 2024 AWSC
Panel 64
North Florida Area
District 4

Our Alateen team is actively recruiting new AMIAS. We are still hoping to start a second meeting in the St. Augustine area soon and possibly a third meeting in the New Smyrna area later this year. They are planning a community education evening in the next couple months. Our one Alateen meeting has a regular attendance of 8 to 10 members.

Our district meets in person every other month. Our DISL is doing a zoom GR training this week. We meet soon to discuss spending last year and this year. We have plenty of money but plan to ask for volunteers to work on public outreach and beginners meetings projects. During our November meeting, two members made a presentation on encouraging personal sponsorship.
