

AWSC Report

District 6

July 6, 2024

While we initially filled all our Service position chairs, with the exception of an Events chair, we currently have an Events chair, but have open positions in Alateen, Public Outreach and Group Liaison South due to resignations for a variety of reasons. We expect to have a Fall event after not having one in the Spring.

We were forced to move our district meeting location in June because of the lack of liability insurance to hold the church harmless in case of an incident/lawsuit. As a result, we legally formed a Limited Liability Corporation.

Our district will present 5 workshops at the Area Convention in September. All 5 have leaders identified.

Respectfully submitted,

Liz M., DISL
