

District 11 – AWSC Feb 2018 Report

Our first District meeting for Panel 58 is January 27.

Goal #1: Emphasize the Legacies over the next 3 years with each monthly District meeting concentrating on a Step in 2018, a Tradition in 2019 and Concepts and Warranties in 2020. This point was brought home during the Fall 2017 Assembly so we will try to do our part.

Goal #2: We finally have an Alateen Chair for our District so hope to establish more support in Brevard County for Alateen participation and involvement.

Goal #3: Stress the use of technology and social media to get our members better connected in an efficient and timely manner.

Goal #4: Encourage increased participation at the International Convention in Baltimore in July 2018 and the North Florida Convention in Orlando September 2018.

I look forward to AWSC and learn from others that went before.
