

DISTRICT 5 AWSC AUGUST 2018 REPORT
August 8, 2018

This is my first DR report, I am fairly new to this position! As a transplant from District 12, I am grateful and humbled by the welcome I received and continue to receive from District 5.

We currently have 31 groups. Our district covers Pasco, Hernando, and Citrus counties. We have district meetings every other month except we meet in September and October as we do not meet in November and December. We will address achieving better attendance in the future. Our panel still needs a permanent AISL and Alternate DR.

District 5 hosts a number of events during the year. To date we have had a potluck picnic and a Day of Workshops, both with speakers. We have a Gratitude Luncheon and a Holiday Party scheduled. Both events were well attended and made a donation to district.

One of our groups held a trash to treasures event to raise money for their group. It made 74.00!!!!

Two of our groups have developed attraction projects as public outreach. One is doing lit drops in the medical community and another is having all their members drop off AFA, Forums, and pamphlets at medical appointments and spiritual centers. We will continue to work on recruiting new members!!

We hope to start having mini-workshops at our District meeting on topics important to our groups. Dominance, KBDM, finding joy, etc.

That's all I got! I like reading everyone's reports! Thanks for submitting!

Cindy S.
District 5
District Representative
