This event is not replacing our wonderfully planned face-to-face fellowship and learning. Instead, we are working together to create opportunities for certification and recertification for when our Alateen Meetings and Events can resume!

Please email delegate58@AFGArea9.org or dis18-58@afgarea9.org you have any questions!

Don't forget to RSVP – and think of this as a great opportunity to learn something new and learn it in a new way!

Thank you for your willingness and dedication to Al-Anon and Alateen – Together We Can Make It!
