

GROUP RECORDS AUGUST 2019 AWSC REPORT

Greetings to all

We currently have 545 meetings listed on the WSO group records website.

Of these we have

- 116 Inactive meetings

- 14 NO mail meetings

Leaving 415 Actual Active Meetings

Please extend my thank you to all of your district Group Records chairs.

The purge of Group Records was completed just after our June Assembly. The purge is done to insure that the data-base is as accurate as possible.

WSO has revised the Group Records Forms they appear easier to use

Hugs, yours in service

Sue
