

Insurance Task Force AWSC August 2020

Task Force Members: • Sheri D, Chair • Madelyn I • Eleanor J • Llew E

Hello Panel 58,

We were tasked with trying to find and secure new General Liability insurance as well as a Board of Directors policy.

We were successful in getting a few quotes for both the General Liability as well as the Board of Directors Policies, but after review, these policies were found to be inferior in coverage compared to what is in place currently.

None of the carriers were willing to cover “over night events”. While the quotes were much cheaper in cost, they did not provide the coverage necessary.

The Board of Directors coverage that was quoted was very similar, but as a stand alone policy it would be more expensive. One agency stated that the coverage we currently have is better than he could offer.

In light of these findings, we have concluded our task force without securing other coverage and the recommendation to stay with the carrier and policies that are already in place.

Thank you for the opportunity to serve on this task force.

Thank you, Sheri D
