

October 2024 Assembly
Panel 64
District 11 report

19 active groups
3 Hybrid
2 Zoom
No active Alateen meetings

Our District meetings are held on the 3rd Saturday of each month with three open positions. DISL, Alateen chair, and Archives. There is growing interest in these open positions due to the success and attendance of our district members at this past Area Convention in Daytona Beach. We had (if my count is correct) 25 attending with Decorations and Boutique chairs from our district.

We had Al-Anon participation in Recovery Fest held on September 14th. Many came by our booth for information and literature.

Our District AA liaison is involved in making sure Al-Anon is well represented at the Space Coast AA Round Up convention scheduled in January.

We also set a date for our gratitude luncheon on November 9th with speakers and a workshop along with great food. As the DR, I am grateful to share this day with others what we have received through the gifts of the Al-Anon program.

We are looking forward to Assembly!

Submitted in love and service,
Eileen C
District 11 Representative
