

AFG Area 9 – Florida North
Past Delegates Work Group (WG)
AWSC July 20, 2024

Our WG is continuing the conversation and although we don't have a final report we wanted to provide you with our updates.

We met a few times and plan to continue the conversation quarterly over zoom unless deemed necessary to change the frequency.

Our first discussion was to determine the eligibility of the WG members. We decided it would be beneficial for any Past Delegate who lives in the North Florida Area to participate in the WG. Between the Area Chair (Mark) and myself, we have contacted all eligible members, and the following are willing to participate in the Past Delegate WG when they can;

Terry Follett (P43)	Phil Griffin (KS P58)	Wendy Roth (P55)
Linda Ford (P40)	Cindy Jacobs (P58)	Evelyn Torres (P61)
Mary Gregory (NYN P28)	Lisa Petschke (P46)	

Other Past Delegates will be added in the future as appropriate.

We are receiving requests to present Workshops at the Area level and handling them as they come in. Some of the WG members do not have or use the Area Past Delegate email so we have agreed that the current WG Chair will be the point person to forward any requests that we receive to the rest of the WG members to ensure we all have the same information and can share responsibilities.

We are working on our roles, responsibilities and other key aspects. During these conversations we are keeping in the back of our mind to make notes to revisit if any guideline, process and/or procedure needs to be established.

Lastly, we currently have one recommendation, we are asking to remove Bill Sill from the CMA and Past Delegates email distribution list since he no longer lives in Florida.

Respectfully submitted,

Lisa Petschke, Panel 46 FL-N
