

AFG Area 9 – Florida North
Past Delegates Work Group (WG)
Assembly Report October 13, 2024

First I want to say I love the interest in the Past Delegates Work Group!!

When somehow the area distribution list had a hiccup, and an email was sent to more than the intended audience, many of you replied. Let me be the first to say, I can't wait until you're a past delegate so you can join our conversation.

We continue to meet bi-monthly and will have a Job Description to be voted on by the AWSC in January. Until then, we wanted to give you an update.

Lucy Russell has joined the Past Delegates Work Group and will add her historical knowledge whenever she can. The current WG Members are as follows;

Terry Follett (P49)	Phil Griffin (KS, P58)	Wendy Roth (P55)
Linda Ford (P40)	Cindy Jacobs (P58)	Lucy Russell (P43)
Mary Gregory (NYN, P28)	Lisa Petschke (P46)	Evelyn Torres (P61)

Other than the Thought and/or Task Force participation assigned by the Area Chairperson, the Past Delegates WG chair coordinates the workload to help find a Past Delegate's to help with NFA requests.

Some of the things we are or have done this year are;

- Hosted a Workshop at the 2024 Area Service Seminar
- Currently lending support and guidance for the 2025 Service Workshop
- Participation at AWSC and Assemblies, which includes but not limited to hosting a Service Sponsorship Workshop at the last Assembly
- District Inventories (collecting and conducting a review of the results)
- Providing Service Sponsorship
- Members of Thought and/or Task Force;
 - Public Outreach Project Guidelines
 - Election Procedures
 - Red Light/Green Light Guidelines research and discussion
 - Timely Topics
 - How to attract more Spanish Speaking Members
 - Job Description Review
 - Southeast Regional Trustee (SERT) Candidate Process

We have one recommendation; we are asking to add Mary Gregory and Phil Griffin to the NFA CMA. *(If agreeable, I will provide the details to the NFA Secretary.)*

Lastly, if you would like our participation at the Area level or at an Area Event, please just email workgroup2024@afgarea9.org, pastdelegate@afgarea9.org or email/ask us directly and we will see what we can do, we look forward to remaining of service to the Florida North Area.

Respectfully submitted,

Lisa Petschke, Panel 46 FL-N
