

Public Outreach Report for NFA AFG Area 9 October 2020 Assembly

Report Date: September 23, 2020

Having gained Assembly approval in July, the PO Committee is moved forward with our 2020 plan. Assembly member input led us to redesign the billboard so as to reflect the diversity of the general population. Our goal remains trying to attract new members with our message of hope for the friends and families of alcoholics.

We received WSO approval of the new design before sending the artwork to Florida Outdoor Advertising Association. A request to place the billboards in districts 5,6,7, 11 and 13 to FOAA. As of this writing we are awaiting the new contract to be sent.

Assembly accepted our proposal for purchasing pens with the remaining \$1890 in our budget. Research continues on best available choices.

Yours in service,

Pat E.
