

## January 19, 2017 - Updated Preparation for AWSC

Here are some reminders for our upcoming AWSC meeting:

1. Reports are due to the Technology Coordinator by **January 20, 2017**. That is this Friday. Getting reports up on the website ahead of the meeting allows everyone to come to the meeting prepared. (Roger is at: [technology@AFGArea9.org](mailto:technology@AFGArea9.org))
2. Room reservations have been made. Please see the website ([www.AFGArea9.org](http://www.AFGArea9.org) -> Members -> Budgets & Minutes) for the confirmation numbers. There is a password for this page on the website. AFGAREA9 If you have any changes to be made with the hotel please let me know as soon as possible.
3. While many of you have been willing to work through dinner on Saturday, I do not think we will need to do that. Thank you all so much for your dedication. Officers will have a meeting on Saturday night. **The Spiritual meeting will be at 8:15 pm on Saturday night.**
4. The updated and final-final TEAM 2017 Flyer is on the website - you may prefer that to the one I sent out. None of the information has changed, but the "draft" watermark has been removed.

It is also possible to register for TEAM online. It is quite easy to do, you may want to check that out.

5. There will be an **AMIAS training on Sunday 10:30-12:30** ... if you are planning to attend, or you have members who are planning to attend, please let Charon know. (Charon is at: [aapp@AFGArea9.org](mailto:aapp@AFGArea9.org))
